

Hi There,

I am originally from Deer Lake and have lived in Conception Bay South since 2008, where my wife was born and raised. We have two children, one of whom is currently a member of the CBS Soccer Association. I played soccer while growing up, including a few years of senior on the West Coast. I have coached house league soccer for the Association in the past.

I am a partner at a law firm in St. John's (Orr Cabot Crosbie Oley Law). Over the past 25 years, I have served in a number of leadership capacities on the Executive Committees of local, regional, Provincial and National Sport organizations in two different provinces and four different sports.

I was a senior instructor with Hockey NL Referees' Division, a referee supervisor, and Zone Coordinator. I spent 9 years as the vice-president of the CBS Referees' Association and 5 years as the president of the Metro Referees' Association, where I am currently the vice president.

I was the Technical Director for the NL Ball Hockey Association for almost 10 years and was the Referee in Chief (Minor Divisions) for the Canadian Ball Hockey Association from 2017-2024. I was a founding member of the Canadian Ball Hockey Association Technical Committee.

I have served on the leadership committee (Vestry) of my church and was the Parish Secretary for over 3 years.

I am currently the secretary for the Board of the CBS Soccer Association and am also secretary on the Board of the Prince of Wales Skating Club.

I look forward to the opportunity to continue our Club's growth as we experience an exciting time of transition and renewal.

Iain
